

June 2007 Update

The Department has not completed an internal draft of the revised Assisted Living Facilities rules because of other rulemaking priorities. The Department anticipates resuming work on the Assisted Living Facilities rules in September 2007. Once the internal draft is completed, the Department will post the draft on the Assisted Living Facilities website, schedule dates for rules committee meetings, and invite individuals to serve on the rules committee. When the rules committee participant list is finalized, it will also be posted on the website.

Please contact Mark Gula, Rules Analyst, at (602) 364-0989 if you have any questions regarding this rulemaking project.
